**2005 ANNUAL NEPA PLANNING SUMMARY**  
**Office of Secure Transportation**  
**Albuquerque, New Mexico**

**Ongoing NEPA Compliance Activities**

No NEPA documents are in progress

**Expected Environmental Impact Statements Within Next 24 Months**

No Environmental Impact Statements are planned in the next 24 months.

**Expected Environmental Assessments Within Next 12 Months**

None anticipated for FY05

**Evaluation of Whether A Site-wide Environmental Impact Statement Would Facilitate Future NEPA Compliance Efforts**

Real estate operated by the Office of Secure Transportation are scattered throughout the United States. Because of the varying environments, it is not practical to prepare a programmatic NEPA document and would not facilitate NEPA compliance efforts. For this reason, NEPA reviews are performed site specifically. The operations of the Office of Secure Transportation have been evaluated in programmatic documents (Stockpile Stewardship and Management, Pantex Site-Wide and the Sandia Site-wide). Supplemental analyses have been prepared for those documents. Current operations remain bounded by the programmatic NEPA documents.
